## The Salon Beat:

- The salon would like to introduce the newest additions to our staff— Katy and Libby.
- Katy is a Level 1 Stylist . Katy was born and raised in Nebraska, but now resides in Loveland. Before deciding to become a stylist, Katy attended the Art Institute of Colorado and Colorado State University where she majored in Art. You will immediately see the creative and artistic side of Katy when you work with her.
- Libby is our newest addition to the Front Desk Staff. Although she is the youngest of the Abbott girls to be added as part of our team, she brings with her the knowledge and education of growing up in the salon. With this foundation she is able to easily assist clients in all aspects.

We are thrilled to have Katy and Libby as part of our team!
